Day 2

Congratulations to Quinn Hamlyn and Seth Shewman who competed in the regional skills competition in Thunder Bay this past weekend. Quinn's first place finish in carpentry qualifies him to attend the provincial competition in Toronto in May along with Alexis McGrath in Baking and Clark Boucha for Outdoor Powered Equipment. Seth did very well in a challenging welding competition.

The Kenora Skating Club would like to send a huge thank you to a number of Broncos who participated in Friday's ice show. The K-Town plaid artwork done by Mrs. Harper's students was spectacular and complimented the "Made in Kenora" theme perfectly. Ms. Gander and the cosmetology students did a great job with the skaters' makeup and had them "show ready" in short time. Lastly, the Ice Choir led by Mrs. McIntosh put on a polished performance and had many compliments from the crowd as they performed during numbers. It was a great evening and we are proud of the way our Broncos showcased their many talents for this community event.

The grade 7/8 badminton practice is cancelled today due to OSSLT testing.
