What a great tune! I bet you didn't know that that energetic band's lead singer is from Kenora, and a graduate of Beaver Brae and I bet some of you have heard this band play. It's Shred Kelly, and the Kenora singer is Sage McBride formerly from Minaki! Her parents own the Yurts.

Well, Shred Kelly has teamed up with the Music Heals Charitable Foundation, in a special initiative to raise money for music therapy in Canada. In case you don't know, Music therapy programs serve children, seniors, at-risk youth, palliative care and burn units, the autism spectrum, and treat mental health, dementia, bereavement, rehabilitation, and more.

So, what exactly is Shred Kelly doing? They will cover a song of our choice, and dedicate it to us at Beaver Brae if we can make a donation of \$100 or more to "Covers for the Cause". So if you can spare a loonie, please drop by the music room and donate in the loonie bin, or give your loonie to anyone in Good Fortune OR listen for buskers such as.....Lexie!, in the upper atrium at lunch and make your donation there. Whatever you can donate, Beaver Brae, Mrs. McIntosh will match with an equal amount! Then we will wait for our request to pop up on YouTube!!!
