The team would like to thank Ms. King for taking the time to help coach and to the parents who drove us up. Ms. Bennett is very proud of the girls play and looks forward to a great season.

Day 5

The Junior Girls volleyball team played the Eagles in Dryden yesterday. Our girls played hard and won a nail-bitter in the fifth set 16-14. A shout out to Maddi Caron for the highlight of the match, with a one-handed flying block against one of Dryden's best hitters. The girls have a break until next Thursday when they travel to Fort Frances to play the Muskies.

The senior girls volleyball team travelled to Dryden yesterday to take on the Eagles. Your Bronco girls started off very strong winning the first set but a key injury to Starr Schott at the end of the second set put the girls at a disadvantage. Despite the injury the girls rallied to play a strong match but fell short losing 3 sets to 1. The senior girls will be participating in the Dryden Eagles volleyball tournament this weekend where they will face teams from Thunder Bay and the NorWOSSA region. Good luck girls.

The Senior boys played in Dryden yesterday and came up just short with a 50-53 score. The boys played well but still have work to do.
