**Day 1**

The Junior Girls Volleyball team travelled to Dryden this weekend for their annual tournament. The Broncos played hard all weekend, earning them a spot in the semi-finals to play the host team Dryden Eagles. The girls played a tough match, but lost in the tie breaker 15 - 10, sending them to face the TA Saints for the Bronze medal.

The girls were tired going into this last match of the day and fell behind in a hurry. Down 15 - 22 in the first set, our Broncos started to turn things around. At set point for the Saints, the Broncos dug deep, got the side out and served out the set for the win, 27 - 25. The girls re-energized between the sets and came out too strong for the Saints, winning the second and final set 25 - 18 and securing the Bronze Medal.

Our Broncos played tough all weekend with strong performances from so many players. Our leaders were leaders, our Middles were Monsters at the net and our Setters anchored our ship. The highlight of the weekend goes out to Charlie Compton and her Ace against the Saints in the Round Robin. Congratulation on a great weekend girls!

**Day 3**

The Junior Girls Volleyball team played strong against the Dryden Eagles yesterday in court sports action. With the Eagles missing some of their top players, they were no match for our Broncos. There were some great scramble plays from Caitlyn Leonard and Maddi Caron, and a highlight block from Brianna Leutschaft. Our young players continue to grow with more and more experience. The Broncos move into the New Year with a 2 and 2 record and look forward to the rest of their season.

The junior boys basketball team played their most complete game of the season yesterday, defeating the Dryden Eagles 63-27. The boys dug in on the defensive end and played unselfishly on the offensive end, fuelled by a very supportive home crowd. The guys look ahead to a busy schedule in January and can be proud of a very strong start to their season!
