Day 1

All four Grade 7 and 8 basketball teams participated in the Gray Academy Basketball tournament this past weekend. All of the boys took it to the Winnipeg teams, forcing overtime in multiple games and winning against some very competitive teams. Some of our highlights included the relentless defense of Karter Wickham, slick dribbling by Oli McEwen, and big rebounds by Rudie and Walker. A happy belated birthday to the Shodin twins who played like stars on their birthday. Good job Broncos!

While the grade 7 Boys played their first basketball game and played in their first tournament. The amount of growth the teams showed over the two days was incredible. Mr. Dean is very proud of all participants.

Throughout the tournament, the Grade 8 girls showed incredible growth as a team. Megan Belrose's cross-overs could rarely be stopped and Haleigh Neniska's speed lead to many breakaway points. Cass Wagenaar's strong defense and Brandi Lentz's and Chordyn Skead's rebounding also helped the team play strong throughout the tournament. Way to go girls!

The grade 7 girls improvement over the tournament was amazing to see! They all played very well for their very first tournament and should be very proud of themselves. Great work girls! Looking forward to the next tournament!

There will be a meeting of all intermediate peer tutors at lunch on Tuesday, January 22nd in room 324. Please see Ms. Quistberg or Mr. Lynch if you have any questions or cannot attend.

Exam schedules are in the main office.

Would all students who require accommodations for their final exams please go to room 218 to sign up for them ASAP!

The junior boys basketball team played very well during Junior KIT over the weekend. The Broncos beat Red Lake and then defeated their crosstown rivals from T.A. by a convincing 40-19 margin. In the championship game against Kildonan East, a top 10 team in Manitoba, the guys played one of their finest games of the year and played with spirit and energy the whole way despite losing 58-37 to take silver. Great work guys-you represented your school with pride! The team would like to thank Mr. McDonald, Mr. Sparkman, Mr. Fair, their fellow students who cheered them on, and all the officials and scorekeepers who made the tournament run so smoothly.
